Learning Enrichment
FOUNDATION

The Learning Enrichment Foundation launched greenLEF Landscaping, a social enterprise, in 2015. From our beginning, we have proudly taken our place, in partnership, with The Ontario Parks Association, industry affiliates, our fellow social enterprises and our local communities.

"It has been a pleasure working with greenLEF Landscaping. I have found them to be professional, flexible and organized."

**Wendy Rowney, Assistant GM

"As a result of our experience we are pleased to recommend greenLEF."
